SELECTMEN'S REPORT

The year 1967 has been an eventful year for the Board of Selectmen. They would like to review some of the past year's activities and share their concerns for the future of Fitzwilliam.

Shortly after the 1967 annual meeting, Mr. Glen H. Carson resigned from the Board because he was being transfered to Holland by his company. Mr. Howard Holman was appointed to fill the unexpired term of Mr. Carson.

The following appointments were made by the Board of Selectmen during 1967. Appointments to the Planning Board:

Francis Fiske, Chairman	1973	Arthur Cleveland	Resigned
Julian Brown	1972	Kenneth Cavidini	1969
Daley Whipple	1971	Joseph Tardiff	1968
William Skarin	1970		

To carry out wishes of the Town as expressed by votes at previous town meetings, the following were appointed as a Town History Committee:

Lashley G. Harvey, Chairman
Clara Quereau
Mrs. Howell Morris

To accomplish the necessary research this Committee was enlarged by the following appointments:

Joseph Tardiff, Vice Chairman
William H. Davis, Sr.
Anne Cameron
Walter M. Stone

George Dunton, Jr. resigned as Commissioner of Plante Memorial Park. James H. Hind and Joseph E. Tardiff were appointed to fill vacancies on the Commission.

In compliance with the resolution adopted under Article 31, 1967 Town Warrant, the Selectmen appointed the following Committee to study the possibility of combining the highway, cemetery and parks departments into a Department of Public Works:

Russell Raitto
Daley Whipple
Joseph Tardiff

The Board has endeavored to keep up to date the assessment record cards as prepared by the state appraisers at the time of the re-appraisal of the Town. Because of the complete change of values, the entire set of addressograph plates had to be updated. The Board would appreciate having any errors or omissions noted in the property tax list called to their attention. Article 22 has been placed in the Warrant by the Selectmen. This calls for a small appropriation to have the Board employ the state appraisers in 1968. The reason for this will be explained in more detail at the annual meeting.

One of the major expenditures this past year was for the repair and painting of the Town Hall. The Moderator appointed the following committee to assist the

Selectmen in getting the work done:

Mr. Ernest Johnson	William H. Davis, Sr.
Walter E. Hill	Walter M. Stone

Of the several firms contacted for bids, only the Mayfair Roofing and Renovating Co. of Plainville, Conn. was willing to undertake the entire project. The railings on the spire were renewed where necessary, the aprons on the three upper decks were reshingled. The numerals on all four faces of the clock were replaced, the weathervane was removed for inspection and re-installed with the original pivot bearing pin being put in place. The weathervane, clock hands, and numerals were gold-leafed by Artcraft Signs, Inc. Two of the urns on the second level of the spire were found to be badly decayed. These were replaced by reproductions turned and given by Selectman John Damon. A portion of the sill at the S.W. corner of the building was replaced by Daniel H. Bemis at a considerable savings over the original estimate.

Two coats of oil base (Dutch Boy) paint were applied to the tower and front of the building. The other three sides received one coat.

The Town is indebted to the Library Sewing Circle for the marvelous job of raising funds - over $2,000 - for the redecoration of the front vestibule, stairwells and upper hallways. They also paid for the sanding and refinishing of the vestibule floor and stairs. The new curtain installed on the large stage was amajor effort on the part of the Committee. The Committee also sponsored part of the carpenting in the lower hallway. Our thanks to Mrs. Ernest Johnson, President, and to Mrs. William Skarin, Chairman of the Community Improvement Project Committee. Appreciation is also expressed to the firemen's group for financing the sanding and refinishing of the floor in the lower hall. All of this certainly takes civic-minded citizens working together for the betterment of their community.

The budget for the Police Department has been increased to provide additional patrol duty. Time spent in answering complaints about dogs, hours spent in court appearances, as well as answering calls to resolve domestic problems are all chargeable to the Police Department.

The fire wards and members of the Fire Department are to be commended for their conscientious efforts to provide better fire protection. As voted at the last Town Meeting, and noted in the fire wards' report, the Dry Hydrant System was installed last fall.

A new truck was purchased for the Highway Department, as voted at the 1967 Town Meeting. At the same time, a new type Swenson sander was purchased. Even though the Town owns two power sanders, the Selectmen feel that this new type sander is a worthwhile investment as it practically eliminates the necessity for having one or two men standing in the body of the truck shovelling sand into the old type sanders.

Serious study should be given to the discontinuance, subject to gates and bars, of several sections of unimproved or primitive roads. As noted in other sections of the Town Report, we received $1,500. in Class V road aid last year. In 1968 we will receive only $180.20 due to the increase in our 1966 equalized valuation. The Board does not recommend an increase in our high way appropriation.

However, an increase in wages paid highway personnel will be given serious consideration so that the equipment which the town now owns will be used more effectively. The Boar d of Selectmen recommend that the voters give serious consideration to Articles No. 24 and 28.

A few words are in order to discuss the thoughts of the Selectmen concerning the dump. It is our opinion that the location of the present dump should be changed. The most obvious and compelling reason for relocation is that the Town is in the position of maintaining a traffic hazard. The fact that our citizens have to turn out of, and into, 50 - 60 m.p.h. traffic, plus the added peril of smoke and papers blowing across such a heavily traveled highway, making the continuation of the present location unjustifiable.

On several occasions the voters have indicated that a survey should be made of our present street lighting system. Several lights were changed this past year at the suggestion of the Public Service Company. They will be doing additional line work in Fitzwilliam this year. Article 6 contains extra money to increase the effectiveness of the present system plus added lights at dangerous intersections.

The financial operations of the Town have been given considerable attention. Each year the Town votes authority to the Selectmen to borrow money in anticipation of taxes. Following the practice of other N.H. municipalities, the Board borrowed a substantial part of the school appropriation in advance ($180,000). The loan was made at 3% and the proceeds re-invested in certificates of deposit at 4-1/2%. The certificates being payable to meet the Town's monthly obligation to the Monadnock School District. A gain of approximately $1,000. was made in 1967. Normally, the Town spends about $600 on interest charges. By borrowing and re-investing, an overall gain of about $1,600 was realized in 1967. The Town should also consider voting to discontinue the practice of granting a discount on tax bills. This item cost the Town about $4,000 last year. An increase of $2,000 since 1961.

Fitzwilliam's share of the increased costs of the Monadnock Regional School will be substantially larger in 1968. Eighty cents of every tax dollar in 1967 went for school costs. The county received five cents, leaving only fifteen cents to maintain necessary town services and functions. The present formula has been in effect for the mandatory five-year period. A Study Committee was appointed by the Regional School Board to study the presdnt formula and make recommendations. It can be assumed that the Committee will recommend that the present formula be continued on a year-to-year basis. No immediate relief is in sight, but your Bord of Selectmen has initiated action which they hope will result in a more equitable distribution of school costs amont the towns of the district.

The present grouping of towns in the District from a geographical point of view does not appear to be economically sound. A regrouping of the School Districts in the southern part of the county, taking into account their geographical location as well as their educational needs, could well be a task for the heads of districts of the area.

The Board would like to express its appreciation to all other Town Officers for their cooperation in carrying on the affairs of the Town. The helpful suggestions given and the willingness of many to give of their time and talents has been most gratifying.

Respectfully submitted,

RONALD H. FITZGERALD, Chairman
HOWARD C. HOLMAN
JOHN R. DAMON

Fitzwilliam, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1967 which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village Precinct and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1966 - December 31, 1967 (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1966 and December 31, 1967, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by $2,237.59, from $13,823.36 to $11,585.77 in 1967. Inasmuch as there were no outstanding long term notes or bonds on December 31, 1967, the Balance Sheet Surplus of $11,585.77, also represented the Current Surplus (excess of total assets over current liabilities) on that date.

Analysis of Change in Financial Conditions: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1967, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of $5,185.87, less a net overdraft of appropriations of $3,819.48, resulted in a net budget surplus of $1,366.39

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1967, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements submitted by depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Tax Anticipation Notes' Interest to be Raised in Budget:

It is recommended that sufficient funds to defray the interest charges to be incurred in borrowing tax anticipation notes for the year be appropriated in the Town budget. The revenues anticipated from the investment of idle funds of the Town, likewise, should be inserted in the budget form as an estimated revenue for the year.

Correction of Errors in Tax Lists and Warrants:

Attention is called to R.S.A. 76:14, relative to the correction of errors in the tax lists and warrants delivered to the Tax Collector. This section provides as follows:

> "76:14 Correction of Omissions, or Improper Assessment. If the Selectmen, before the expiration of the year for which a tax has been assessed, shall discover that the same has been taxed to a person not by law liable they may, upon abatement of such tax and upon notice to the person liable for such tax, impose the same upon the person so liable. And if it shall be found that any person or property shall have escaped taxation the Selectmen, upon notice to the person, shall impose a tax upon the person or property so liable."

In accordance with the provisions of the above statute, no changes, whatsoever, should be effected in the original lists and warrants once committed to the Collector.

Tax Collector:

Considerable difficulty was experienced in reconciling the records of the Tax Collector for the fiscal year ended December 31, 1967. In many instances, delayed recording of receipts was noted.

Tax collections should be recorded in the Collector's Cash Journals promptly.

Uncollected Taxes:

As of December 31, 1967, delinquent property, poll and head taxes amounting to $257.40 on account of tax levies of 1965 and prior years remained outstanding on the Tax Collector's warrants.

The lists of uncollected taxes should be reviewed and where required, abatements should be issued by the Selectmen. The Tax Collector should take the necessary steps required to enforce collection of the remainder of these delinquent taxes.

Unredeemed Taxes:

There were, as of December 31, 1967, unredeemed taxes from the tax sales of the levies of 1964 and prior years as follows:

Levy of 1964	$ 533.96
Levy of 1963	320.16
Levy of 1962	329.31
Levy of 1961	222.72
Levy of 1960	190.30
Levy of 1959	6.90
Levy of 1956	30.50
	$1,633.85

Inasmuch as the two year period provided by law in which redemption from tax sales may be made has expired on these unredeemed taxes, the Tax Collector should deed all of the properties involved to the Town at once.

Unpaid taxes on account of machinery and equipment, stock in trade, etc., should be sold at a Tax Collector's sale of real estate, only where real estate is owned as per the provisions of R.S.A. 80:19 and 80:20.

It is also noted that in several instances, unpaid taxes sold to individuals at various tax sales, were erroneously discharged at the Register of Deeds as having been redeemed, when in fact these taxes are still unredeemed. The Collector should immediately notify the Register of Deeds to vacate these discharges in order to protect the interests of the purchasers involved.

Real estate actually sold at a tax sale should be properly described on the record of tax sales.

Town Hall Agent:

All funds received by the Town Hall Agent should be remitted monthly to the Treasurer.

Library:

We recommend the use of columnar journals with appropriate headings for classification of receipts and expenditures be adopted by the Library Treasurer.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly,

O. Maurice Oleson, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Frederick E. LaPlante, Auditor
Laurence M. Bean, Accountant

REPORT OF FIRE WARDS 1967

The year 1967 has shown to us that we need to increase our budget. Elsewhere in this report is an item comparison of our needs last year, the year before, and what is expected in 1968. We, as Fire Wards, feel this amount is necessary to maintain our buildings and equipment for the coming year.

We again wish to thank the following people for their continued service to the town by providing radio service to the town from their homes:

Edward and Dorothy Grant
Robert and Marilyn Dunton
Winston and Jane Wright

We, as Fire Wards, wish to express to Donald Holbrook, who retired as Chief of the Meadowood Fire Department, our thanks for the cost-free fire protection he gave to the town. His Department has done this since 1953.

Report of Forest Fire Warden and District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the commonsense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.

REPORT OF THE LIBRARIAN

The library has been most fortunate this past year in having received many fine books as gifts. In addition to numerous donations from individuals of one or two books, several memorial collections have been presented to the library by friends and families in memory of dear ones, including an excellent group of books on music for both children and adults in memory of Miss Ethel Quereau; another of historical fiction and biography in memory of Mrs. David Reid and still another collection of the large print books for the visually handicapped in memory of Mrs. Warren Grant. These latter have not yet arrived but are on order from our supplier.

A trust fund in memory of Mrs. Lucy B. Hallhas been established and will be used in the future toward the purchase of children's books.

The Gop Mountain Lions Club has donated a year's subscription to the large print edition of the Reader's Digest which will be shared with the Troy and Richmond Libraries as are the large print books presented by the Club last year.

We again received our $100.00 N.H. Library Affiliation State Aid grant for reference books. The reference collection now is an excellent one for a town of this size and is improving yearly.

These books, plus the library's own purchases, make a total of 310 new volumes added to the collection during the year and the Library currently subscribes to 28 magazines.

Through the generosity of the Columbia Recording Company, we now have a small number of LP albums available for loan.

The classification of the adult history section has been completed and we are now at work on the junior non-fiction.

Both the Librarian and the assistant librarian completed a course at Keene State College on the administration of the small public library and the librarian also attended classes on book selection for adults and young adults held at the N.H. State Library District Office in Keene. These courses are made available through our membership in the N.H. Affiliated Libraries.

Presently, there is a story hour for the pre-school children on alternate Wednesday mornings.

The landscaping and new planting around the front of the building was the generous gift of the Fitzwilliam Garden Club and the library is indebted to the Youth Fellowship of the Federated Church whose members devoted two Saturdays to painting the library fence.

We are most grateful, too, to Mr. William Davis, Jr. for his efforts in keeping our tempermental heating unit functioning.

The floors downstairs have been oiled and are much improved in appearance. It is hoped that there will be funds for painting in the coming year.

The Bookmobile continues to serve us well having made five visits during 1967.

In addition to having books on loan through the Bookmobile, the library has made frequent use of inter-library loans from the State Library in Concord, the University of N.H. Library, Dartmouth College Library and other public libraries not only in our own state but from libraries as far away as Oregon. If we do not have what you want or need in our own library, we will make every effort to get it for you. Please do not hesitate to ask.

As in the past, the Librarian and the Trustees wish to express their gratitude to everyone who has donated books or services to the library. All are greatly appreciated.

MARGARET E. MORRIS

FITZWILLIAM VILLAGE WATER DISTRICT REPORT

There are 59 services in the system as of March 1, 1968. In the past two years six have been added and the potential of the system is 100 services. The District is now operating at a small profit so that there is a reserve in case any catastrophic breaks occur. The principal of the note has been reduced each six months and now stands at $18,000.00

Periodically, samples of water from each of the three weels are sent to Concord for testing. Each time they report no contamination of any kind so that no chlorine has ever been used. It is an admirable record.

The Water District operates at no cost to the taxpayers. All expenses are paid by the users of water.

REPORT OF POLICE DEPARTMENT

This Department operated for this past year with four regular and two special officers. We have provided year-round police coverage for our Town and wish to continue this policy for the year 1968.

We have had excellent cooperation from the Sheriff's Department and the State Police in our police work.

This Department sponsored a Halloween Eve dance with a live five-piece orchestra and refreshments for all children ages 8-21 in the lower hall of the Town Hall. The attendance for the evening was 107 children. We hope to make this an annual event each season.

This Department personnel underwrote all expenses personally with no cost to the taxpayer.

The Attention of Fitzwilliam Residents is called to some recent laws enacted by the State of New Hampshire Legislature:

VETERANS' EXEMPTIONS:

A $50.00 tax exemption is granted to a resident veteran or his widow. Veteran must have served at least ninety (90) days in wartime, discharged other than dishonorable and not delinquent in payment of local or state taxes for which he is liable. Poll taxes excepted. Veteran MUST FILE AN ANNUAL APPLICATION with the Selectmen by APRIL 15.

HUNTING OR FISHING LICENSE

The payment of head and poll taxes for the preceding year is required before a hunting or fishing license can be issued. This also applies to drivers' licenses and automobile registrations.

WATER POLLUTION AND SEWAGE DISPOSAL

The Selectmen urge that any party proposing to construct or change a sewage disposal system FIRST submit plans and obtain the approval of the New Hampshire Water and Pollution Commission, Concord, N.H.
Copies of all sewage disposal system plans, approved by the commission are on file in the Selectmen's office.

JUNK YARD LAW

Under this law all junk yards must be licensed by local or state authority. Two or more unregistered motor vehicles, held on a persons property are a violation. The Selectmen propose to list and take action on violations as of May 1, 1968.

RABIES CONTROL ACT:

Before a license can be issued by the Town Clerk, the dog owner must present a "certification that said dog has been vaccinated against rabies." The Selectmen propose to make a head count of all dogs, as of April 1, 1968, as required by law.
